

FISCAL NOTE

SB 2531 - HB 3062

March 15, 2002

SUMMARY OF BILL: Amends the Hazardous Waste Management Act to eliminate the following:

- the annual report to the speakers of the house and senate on the status of the Hazardous Waste Remedial Action Fund.
- public hearings in each grand division to receive comments on expenditures from the fund.
- maintenance of a separate toll-free number for reporting problems caused by hazardous substances.

ESTIMATED FISCAL IMPACT:

Decrease State Expenditures - Not Significant/ Hazardous Waste Remedial Action Fund

Estimate assumes a not significant decrease in expenditures due to eliminating the costs incurred in holding public meetings and maintaining a toll free phone number. The establishment of a statewide toll free number for any environmental concerns has eliminated the need for a specific phone number.
